DESCRIPTION

This typical Majorcan finca from the 19th century is set on a 8'000m2 plot, on the outskirts of Valldemossa, with amazing panoramic views of the village and the mountains. The living area is distributed over a main house and a guest house, and the distribution is as follows: The 2-storey main house has a living room with fireplace, a kitchen, 4 bedrooms and 2 bathrooms. In the guest house, there are a living room with fireplace, a kitchen, 2 bedrooms, 1 bathroom and a storage room. Dating from the 19th year, the main house has been completely renovated, preserving many original features such as the stone floor and the decorative floor tiles. Outside, the property offers a beautiful, terraced plot with many different fruit trees (orange, lemon, plum, apple and pear trees) and extensive lawns. The lovely village of Valldemossa is located in easy walking distance.
