DESCRIPTION

This fantastic property is located between Manacor and Can Picafort, in the center of the island.

The impressive house has an unbelievable size of 1700 m² and is distributed over three floors. With 17 bedrooms and 17 bathrooms, there is more than enough space for at least 30 people. In addition to the large living area, there are several other rooms for reading or watching TV. The first and second floor have large terraces with panoramic views of the landscape. The ground floor offers two glazed terraces and access to the terrace with swimming pool. This house is hard to beat when it comes to splendor. An imposing staircase, large windows with round arches and lots of marble and wood emphasize the uniqueness of the property. A gym and a wine cellar are also part of the property.

The outdoor area, with a plot size of approx. 105,000 m² offers a swimming pool with plenty of space for sunbathing, a barbecue area and a lovely garden with many exotic plants, fruit trees, a pond and beautiful paths for walking.

The property is quiet and offers complete privacy. The beautiful beach...
