DESCRIPTION

A high-quality project for a house with a guest house is being developed on this plot of 14,200 m². The house with a constructed area of 300 m² will be built in bungalow style and there will be 4 bedrooms and 4 bathrooms in total. In addition there will be open and covered terraces, a swimming pool, a garden with fruit trees and automatic irrigation system as well as a carport. Connection to the mains electricity and a private well are also present.

The property will be sold as a completely finished project and the buyer can decide on the layout of the rooms and the materials.

The location is quiet and you have a beautiful view of the mountains. The village Santa María with many nice cafés, restaurants and shopping facilities is only a few minutes away by car or a 20 minutes' walk. Several international schools like The Academy, The Orange Tree and the Montessori School of Santa María are nearby.

The completion is expected for mid 2022.
